

 **ITALDIBIPACK GROUP**

SINCE 1975 MANUFACTURER, INNOVATOR, INVENTOR

# LEONARDO *family*

## THE MOST GENIAL RANGE OF SELPROPELLED PALLET WRAPPER ROBOTS!

Great performance with health  
and environment respect.

LEO

**THE SMALLEST, THE SMARTEST**  
Smallest overall dimensions and working  
area, GREAT performances.

**THE GENIUS IN MOTION** - Reduced overall  
dimensions and working area for the greatest  
performances even in the most difficult  
logistic situations. Column height from 1700  
mm to 2350 mm - 100% power pre-stretch.

LEONARDO

**THE FASTEST** - In output speed &  
number of pallets wrapped.  
Available with 2700 mm column &  
200% power pre-stretch.

LEONARDO SP

**THE TOP** - The best performances, all  
in one ROBOT! Column height excursion  
from 1700 mm to 2700 mm - 200%  
power pre-stretch - high performances.

LEONARDO SP TS 2700

**NEVER SEEN BEFORE:**
